Quality Composite Edging Solutions

APR Composites offer attractive and durable border edging solutions designed to weather the great outdoors.

The easy to install garden edging, ideal for footpaths and landscape designs as well as retention walls, is available in a wide range of profiles and manufactured to length. The dual purpose playground edging has a unique capping feature which can serve as a seat.

Our composite products are custom designed, engineered and manufactured in Australia to your specific needs, which means you get exactly what you need with *no waste*. They are also easy to install and require very little maintenance, if any at all.

Edging Profiles

South Australia

Profile (mm)	APR Code	Flexibility
75 x 45	75.45	Medium
90 x 20	90.20	Flexible
90 x 45	90.45	Medium
