

Scenic Frame

Product Brochure

COUNCIL | COASTAL | COMMERCIAL

General Notes:

- These drawings shall be read in conjunction with all architectural and other consultants drawings and specifications. All discrepancies shall be referred to the quality manager for decision before proceeding with the work.
- All dimensions relevant to setting out and off-site work shall be verified by the contractor before construction and fabrication are commenced.
- The engineer's drawings shall not be scaled.
- During construction the contractor shall be responsible for maintaining the structure in a stable condition and ensuring no part is overstressed under construction activities.
- Workmanship and materials shall be in accordance with the relevant SAA Codes including all amendments and the local statutory authorities, except where varied by the contract documents.
- The design and criteria to AS 1170.2-2002 is as follows:

Region	A	
Basic Wind Speed	V100	
Wind Category	1.0	40.6m/s
	2.5	35.7m/s
Topographic Multiplier	Mt = 1.0	
Shielding Multiplier	Ms = 1.0	

- Dimensions are in millimetres and levels are in metres unless shown otherwise.
- Site surveying and setting out shall be carried out by a registered surveyor.

Utilising APR Composites profiles, supported by an engineer-approved powder-coated steel frame, our easy to install Scenic Frames are designed to withstand the best Mother Nature can throw at them.

Ideal for Councils and tourism, APR Composites Scenic Frames are the perfect addition to all local attractions, encouraging visitors to share their experiences on social media, resulting in a unique and effective means of increasing the reach of your brand.

APR Composites will work with you to design and manufacture a customised Scenic Frame, unique to your requirements and ideal for promoting your area. Our frames feature high-quality artwork, are low maintenance, weather resilient, durable and safe, and can be customised for disability access.

With the availability of tourism grants, what better time to contact APR Composites and invest in your own unique Scenic Frame!
